

BRIDGEPORT CONSTRUCTION/PAINTING NOTICE

Unit #	_____
Notice Date	_____, 2023
Project Start Date	_____, 2023

THE SURFACES ADJACENT TO YOUR UNIT WILL BE PAINTED ON

Day/days _____, date _____, 2023

Between the hours of 8:00am and 5:00pm.

WHAT TO EXPECT:

- The elevated walkway and the area below subject to **limited foot traffic** from 8am to 5pm on the days listed. **Crews will pause upon request for safe transit through a construction zone.**
- The possible **temporary** closure of walkways.
- **Please move all personal items on your balcony to the center of the balcony.**
- Please look out for and respect the WET PAINT signs and any yellow caution tape placed in front of your primary entrance (approximately 4ft high). These are placed there for your protection and to ensure that no one accidentally enters the work area or disturbs drying paint.
- There will be construction noise from generators, paint sprayers and construction personnel working around your unit. While we do not anticipate air quality being an issue, **we do recommend during working hours - you keep your doors and windows closed to reduce noise, and your blinds closed to protect your privacy.**
- Temporary storage bins will be provided at either entrance gate of the building for deliveries. **RAYCO Exteriors will not receive, deliver, or be held responsible for resident deliveries.** RAYCO Exteriors is available to answer any questions . Please direct all construction related inquiries directly to Project Manager josh@raycoexteriors.com or Construction Manager rayechlin@dbuild.com . **Please do not contact the Association's Management company with questions regarding construction.**

Thank you for your continued cooperation!
